

AMENDMENT

In the Drawings

Please replace Figures 1 and 2 with the amended Figures 1 and 2 enclosed herewith.

In the Claims

Please amend the claims as follows (a clean copy of the amended claims being attached hereto):

1. (Amended) A concurrent dynamic pricing marketing and sales system for providing buyer access to inventory items of a seller, comprising:
 - an inventory sales tool accessible to a plurality of buyers through at least one medium;
 - said inventory sales tool being effective to provide an indication of an available quantity of an item and a plurality of pricing schemes;
 - at least one of said pricing schemes permits at least one of said buyers to request an immediate purchase at an immediate purchase price;
 - wherein said immediate purchase price conditionally decreases over time;
 - and at least another of said pricing schemes permits said at least one of said buyers to request a deferred purchase [at a] when a user-defined deferred purchase price matches a decreased immediate purchase price.
